

OFFICE OF THE DEAN ACADEMICS

SANTOKBA DURLABHJI MEMORIAL HOSPITAL, Jaipur

July 9th, 2021

To,
Dr. Rajiv Kumar Bansal,
Honorary Consultant,
HOD Pediatrics,
SDMH, Jaipur.

Dear Dr. Bansal,

Sub: - "Improved Cardiac Iron one year after including Rapid Magnetic Resonance Imaging Scanning in a Thalassaemia Medical Camp: Ultrafast MRI for Iron Management in India – The UMIMI Study, The Lancet, 2021.

The Academics office is delighted to note your publication quoted above.

The Lancet is the pinnacle of medical journals. This achievement is the crowning glory for this Institution and a matter of great pride.

Congratulations to your team!

Thanking you.

Yours sincerely,

Anoop Ranjan Varma
Dean Academics
