

OFFICE OF THE DEAN ACADEMICS

SANTOKBA DURLABHJI MEMORIAL HOSPITAL, Jaipur

24/07/2020

To,
Dr. Rajiv Bansal
HOD
Dept. of Pediatrics
SDMH

Dear Dr. Bansal,
Sub:- Publications from the Department of Pediatrics

The Academics Office is delighted to note the following publications from the Department of Pediatrics:

1. Dr. Lalit Bharadia. Therapeutic enteral formula in children. Indian Pediatrics April 2020.
2. Dr. Vivek Jain
 - a. Tyrosine hydroxylase deficiency – Clinical insights and a novel deletion in TH gene in an Indian patient. JIMD Reports. 2020.
 - b. KCNT1-related epilepsy: An International multicenter cohort of 27 pediatric cases. Epilepsia. 2020.

We are delighted to record these regular publications from your Department. This will be an inspiration to the Institution.

Thanking you,

Yours sincerely,

(Anoop Ranjan Varma)
Dean Academics
