10<sup>th</sup> February, 2020

On February 8<sup>th</sup> 2020 at 9 a.m, at the Hemalata Durlabhji Auditorium, a Grand Round on " Esophageal motility disorder and role of high resolution Manometry" was presented by Dr.Dinesh Agarwal, Dr.Sandeep Vaishnav and Dr. Nikhil Atolia.

The Grand Round was well attended. The topic was presented in an exemplary fashion, making a complex topic easily understandable for a non-specialist audience. The discussion was lively, bearing testimony to the amount of interest the topic generated. The presentation was of a very high grade and Drs. Dinesh Agrawal, Sandeep Vaishnav and team deserve much accolade.
