**Note:**

- If any guidance is required for case conference candidates can contact the admitting consultant of the relevant case.
- For journal clubs, only original research articles are allowed for discussion (no review articles, case reports etc). No power point presentation- circulate the proposed article on Neurology whatsapp group a day or two before and critically analyse the paper during discussion.
- For neurophysiology, Dr. Priya Agarwal will allot material to be discussed a day before presentation.
- All the Journal club, Seminar and Neurophysiology topics must be confirmed with Dr. Priya Agarwal 24 hours before confirmation. Dr. Priya Agarwal's permission will be confirmatory for the presentation. Once authorized by Dr. Priya Agarwal no changes to the selection.
