

ACADEMIC GRAND ROUND ON 13.04.2019

TALK BY CONSULTANTS DEPT OF ORTHOPEDIC SURGERY ON SPECTRUM OF CHALLENGING CASES IN ORTHOPEDICS

The senior consultants from the Dept of Orthopedic Surgery delivered a comprehensive talk on "Spectrum of challenging cases in Orthopedics". This event was held as part of the monthly grand rounds on 13th April 2019 at the Hemlata Durlabhji Auditorium. All departments of SDMH participated.

The presentation displayed the spectrum of subspecialty work in the Dept of Orthopedics; Hand Surgery, Pediatric Orthopedics, Geriatric Orthopedics, newer surgical innovations/techniques etc.
