

## **ACADEMIC GRAND ROUND ON 10.08.2019**

### **TALK BY CONSULTANTS DEPT OF ANAESTHESIOLOGY ON INTERVENTIONAL NEUROVASCULAR TECHNIQUES AND THEIR PRACTICE AT SDMH**

The senior consultants from the Dept of Neurosurgery delivered a comprehensive talk on "Interventional Neurovascular Techniques and their Practice at SDMH". This event was held as part of the monthly grand rounds on 10<sup>th</sup> August 2019 at the Hemlata Durlabhji Auditorium. All departments of SDMH participated.

The presentation gave an overview of interventional procedures and case illustrations of interventions at SDMH. The event was well attended.
