

## **ACADEMIC GRAND ROUND ON 14.09.2019**

### **TALK BY Dr. RAJIV KUMAR BANSAL DEPT OF PAEDIATRICS ON WHAT EVERYONE SHOULD KNOW ABOUT THALASSEMIA**

Dr. Rajiv Kumar Bansal, Sr. Consultant and Head of Dept, Paediatrics delivered a comprehensive talk on "What everyone should know about Thalassaemia". This event was held as part of the monthly grand rounds on 14<sup>th</sup> September 2019 at the Hemlata Durlabhji Auditorium. All departments of SDMH participated.

Dr. Bansal presented the exemplary work on Thalassaemia being done at SDMH. The talk was exquisitely presented and very well received. The talk rather modestly presented the sterling work in Thalassaemia being carried out by the SDMH team under Dr. Bansal's stewardship.
