

ACADEMIC GRAND ROUND ON 09.11.2019

TALK BY Dr. LALIT GARG DEPT OF RADIO DIAGNOSIS

“INTERESTING CASES IN INTERVENTIONAL RADIOLOGY AT SDMH”

Dr. Lalit Garg, Consultant, Dept of Radio-diagnosis delivered a comprehensive talk on “Interesting cases in Interventional Radiology at SDMH”. This event was held as part of the monthly grand rounds on 9th November 2019 at the Hemlata Durlabhji Auditorium. All departments of SDMH participated.

Dr. Garg presented a medley of cases that he has treated using interventional radiology at SDMH. The breadth of treatment modalities offered by the interventional radiology department at SDMH is commendable.

At the end of the presentation Dr. Nandini Deshpande was felicitated for winning the Gold Medal for best performance in Anaesthesia nationally.
