TALK BY CONSULTANTS DEPT OF SURGICAL GASTROENTEROLGY ON VARIOUS TOPICS SDMH, Jaipur

The department of Surgical Gastroenterology headed by Dr. Rajesh Bhojwani presented at the Grand Round.

The presentations had a comprehensive team approach detailing the development and services provided by SIDSS at SDMH Jaipur. Presentations were made by Dr. Nikhil Jain, Dr. Subhash Mishra, Dr. Raj Kumar Gupta and Dr. Rajesh Bhojwani on the following topics:

1. Current status of hernia repair at SIDSS, Dr. Nikhil Jain
2. Current status of HPB surgery at SIDSS, Dr. Subhash Mishra
3. Current status of colorectal surgery at SIDSS, Dr. Raj Kumar Gupta
4. Evaluation of SIDSS and future directions – An overview, Dr. Rajesh Bhojwani

The presentation was truly a team approach and a story that clearly elucidated the development of GI Surgery at SDMH, Jaipur from scratch during the last twenty odd years under the stewardship of Dr. Bhojwani.

SIDSS is an example of a resounding SDMH success story. Medicine is rapidly advancing and SIDSS presents an example of how one must move with rapidly changing times.

The presentations were well attended and well received.
