

ACADEMIC GRAND ROUND ON 08.06.2019

TALK BY CONSULTANTS DEPT OF ANAESTHESIOLOGY ON ROLE OF PRE-OP ASSESSMENT AND OPTIMISATION FOR SAFE ANAESTHESIA

The senior consultants from the Dept of Anaesthesiology delivered a comprehensive talk on "Role of pre-op assessment and optimization for safe anaesthesia". This event was held as part of the monthly grand rounds on 8th June 2019 at the Hemlata Durlabhji Auditorium. All departments of SDMHS participated.

The round was very well attended. The presentation brought out details of current guidelines of critical importance to most specialties. Dr. Parashar must be congratulated for his efforts.
