

ACADEMIC GRAND ROUND ON 10.11.2018

TALK BY DR. AJAY SHAH ON HYPERTHYROIDISM

Dr. Ajay Shah, Sr. Consultant Department of Endocrinology delivered a comprehensive talk on "Hyperthyroidism: SDMH experience". This event was held as part of the monthly grand rounds on the 10th November 2018 at the Hemlata Durlabhji Auditorium. The topic was comprehensively covered and clearly elucidated. The departments of Cardiology, Emergency Medicine, Endocrinology, ENT, Gastroenterology, General Medicine, Neurology, Nephrology, Ophthalmology, Obstetrics & Gynecology and Pediatrics attended the event.

Dr. Shah delivered his lecture presenting his SDMH experience in addition to a general overview of hyperthyroidism. This marks the beginning of a model for future grand rounds. The grand round encourages presentation of personal SDMH experiences along with an overview of the topic.

Dr. Ajay Shah must be congratulated for his sterling effort.
