

## **ACADEMIC GRAND ROUND ON 09.03.2019**

### **TALK BY DR. PRASHANT GANDHI ON COGNITION IN TYPE II DIABETES MELLITUS**

Dr. Prashant Gandhi, DNB resident Dept of Neurology delivered a comprehensive talk on "Cognition in Type II Diabetes Mellitus" under the supervision of Dr. K.K. Singh, Dr. Ajay Shah and Dr. Anoop Ranjan Varma. This event was held as part of the monthly grand rounds on 9<sup>th</sup> March 2019 at the Hemlata Durlabhji Auditorium. All departments of SDMH participated.

This presentation is the first of its kind by a DNB resident presenting his own research work. The General Body meeting of January 2019 had suggested adoption of this model. Dr. Prashant Gandhi presented his work with eloquence, expertise and clarity. The presentation stimulated a lot of fruitful discussion.
