Note:

- If any guidance is required for case conference candidates can contact the admitting consultant of the relevant case.
- Candidates are expected to show their presentation to relevant guide well in advance.
- Only original articles should be presented in journal club. Review articles to be avoided.
- If there is non availability of teaching room, case conference would be held on bedside.
- **There are no guides allotted for journal clubs and seminars. Students are requested to contact any faculty member of their choice if they need any guidance.**

Dr. Neeraj Bhutani
MD (Med), DM (Neuro)
HOD, Department of Neurology
